

You Still Want that Roland Inkjet Printer Don't You?

Well, help is on the way!

New tax incentives and Small Business Administration (SBA) loan rule changes implemented this year give small businesses an exciting edge. **Here's the scoop!**

Tax Incentives

IRS Tax Code Section 179 expansion:

Expense up to \$250,000 for qualified property placed into service in 2009 (Total cap is \$800,000)

Bonus Depreciation: Depreciate up to 50% of the cost of newly acquired fixed assets that were purchased in 2009 and exceed the \$250,000 limit

Five-year Carryback of tax losses incurred after December 31, 2007

SBA Loan Rule Changes

**Increase in loan guarantee limit – now 75 to 80%
Additional funding for Micro-loans of \$35,000 or less
for small businesses.**

... and New Lease Options from Roland

- Up to 100 % financing with minimal or no up front costs
- Financing for media, inks and training up to 25% over the equipment's purchase price
- Flexible payment and end-of-lease options
- Technology upgrade options
- Fast, easy application process

Call Jason today for an appointment to see a Roland printer in action. You'll love it!

ARLON Media of the Month

Series 2500 Premium Translucent Vinyl

Series 2500 is a premium, 2-mil cast vinyl designed for back or internally illuminated signage. It is available in 61 standard colors as well as custom colors. Batch-to-batch consistency ensures the integrity of regional and national programs. Series 2500 can be used for large format laminations, pan forming and embossed images and is compatible with rigid or flexible substrates. It has a 7 year durability rating.
